POLICY:

In considering a grant for financial assistance to an organization for a discretionary community enhancement grant, the Council of the Village of Hazelton will take into account the following objectives:

1. The primary purpose of a community enhancement grant is to provide one-time financial assistance to an organization for a specific project or event that benefits the residents of the Village of Hazelton. In general, the organization should be registered as, or belong to a parent Society under the laws of British Columbia and/or Canada.
2. Community enhancement grants will not be made to individuals other than in the form of the awards and bursaries presented to the Hazelton Secondary School graduating class.
3. Preference will be given to organizations that are locally based and whose efforts benefit the Village.
4. The Village will not grant monies to a "for profit" organization.

5. An organization applying for a community enhancement grant must provide the following information in order for its application to be considered:
 - Name of the organization;
 - Name of the individual (if organization is representing an individual member);
 - Description of the project or event for which the funding is requested;
 - Indicate whether or not the project or event is already provided in the community or is supported by other organizations;
 - Identify the beneficiaries of the event;
 - Indicate the total cost of the event;
 - Indicate other sources of funding for the event;
 - Indicate whether applications to other local government have been made;
 - Indicate the volunteer labour and in-kind donations to be contributed toward the project or event by the members of the organization;
 - Specify the amount of financial assistance required; and
 - Provide the organization's current annual budget and previous year's financial statement as requested.
6. All grant applications must be submitted to the Village on or before January 31st in order to be considered for funding for the current year.
7. Community enhancement grant applications received after January 31st will not be considered for funding in the current year.

Recipients of Community Enhancement Grants should be aware that funding is not automatically guaranteed in subsequent years. Grants are intended to provide a means for the Village to encourage and support local ventures, not to provide core or sustainable funding for a business venture or substantial funding for any significant undertaking.

Grant recipients must acknowledge the Village of Hazelton as a sponsor for the program, activity or event in all advertising and promotional materials.

Recipients of grants must agree to provide the Village with an accounting of how funds were used within 90 days of the completion of the program, activity or event.
