Information/Regulations

- Set up time will be at 9:00 am. Your location will be given to you by one of the Village of Hazelton staff member prior to set up, please set up where you have been assigned as we plan carefully to ensure everyone has adequate space. If you are not a food vendor, you will need to park your vehicle outside of the no parking zone after you are done setting up.
- Vendors are responsible for providing their own tables/booths/kiosks
- Each Food Vendor MUST include a copy of permit from the Northern Health Authority with registration form and MUST display the permit at all times during operation hours. (The permitting information can be found [HERE](#))
- Electricity is not provided. Vendors may use generators for power as long as they are covered with a sound proofing box or be using a newer inverter generator that minimizes noise and smell for the general public. For more info on how to build a sound proof box contact the Village Office.
 - Tents are encouraged, rain or shine!
